Information we collect: the categories of personal information we collect

We have collected the following categories of personal information about you: identifiers and internet information. We do not collect sensitive personal information.

We will not collect additional categories of personal information without notifying you. **What are**

the purposes for which we use your personal information?

We may use your personal information to allow the operational functioning of Paywake Corporation and features thereof (“business purposes”). In such cases, your personal information will be processed in a fashion necessary and proportionate to the business purpose for which it was collected, and strictly within the limits of compatible operational purposes.

We may also use your personal information for other reasons such as for commercial purposes (as indicated within the section “Detailed information on the processing of Personal Data” within this document), as well as for complying with the law and defending our rights before the competent authorities where our rights and interests are threatened or we suffer an actual damage.

We won’t process your information for unexpected purposes, or for purposes incompatible with the purposes originally disclosed, without your consent.
